

Introduced Version

HOUSE RESOLUTION No. ____

Introduced by: Austin, Forestal, Burton, Clere

A HOUSE RESOLUTION urging the Legislative Council to assign to the appropriate study committee the study of the training received by teachers who instruct students diagnosed with a neurological disorder.

Whereas, Neurological disorders are diseases of the central and peripheral nervous system - the brain, spinal cord, cranial nerves, peripheral nerves, nerve roots, autonomic nervous system, neuromuscular junction, and muscles;

Whereas, Structural, biochemical, or electrical abnormalities in the brain, spinal cord, or other nerves can result in a range of symptoms;

Whereas, Hundreds of millions of people are affected by

20142511

neurological disorders worldwide;

Whereas, Because students with diagnosed neurological disorders may require additional resources and teacher support, appropriate training is required; and

Whereas, Study by the appropriate committee may help determine if teachers receive appropriate training needed to effectively teach students diagnosed with neurological disorders: Therefore,

*Be it resolved by the House of Representatives of the
General Assembly of the State of Indiana:*

- 1 SECTION 1. That the Indiana House of Representatives urges the
- 2 Legislative Council to assign to the appropriate study committee the
- 3 study of the training received by teachers who instruct students
- 4 diagnosed with a neurological disorder.
